

Paragliding Course

(no minimum limit of persons expected)

After your first flight your life will never be the same!

Paragliding changed many lives as the experiences lived in the air showed the real importance of the day to day life. It was the door to new worlds of adventure, fascination and great moments. We hope that the opportunity of flying can bring you pleasure, satisfaction, new friends and lasting memories.

“Once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to return.”
